

## ***Camp is in 3 weeks! We are glad you are coming!***

***New Website:*** Thank you for being so patient while we continue to get our new website up and running. We are still making changes and would be glad to have any feedback you have for us.

***Camper Photos:*** This year we are requesting you upload a picture of each camper with their registration. If you registered early, you may not have been asked to do that, but please go back and do that for us. We will not be using those pictures in any public way, it is just a way for us to help us learn each camper.
